

Tecate Group on ISO14001

Tecate Group has implemented an Environmental Management System in accordance with ISO 14001:2004. Tecate's environmental policy is as follows:

Tecate Group is committed to protecting the environment by focusing on energy efficiency, pollution prevention and waste reduction. We are committed to meeting all relevant environmental legislation and regulations. Our environmental management system promotes continual environmental improvement of our business processes.

The scope of this Environmental Management System includes design, manufacture and global distribution of electronic components and assemblies, specializing in capacitors, ultracapacitors and audio products.
