

## The Components Group of Tecate Group Policy on European Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) Legislation from the European Union (EU)

**Preregistration and registration of substances in articles:** Tecate Group – Components Division (Capacitors and Ultracapacitors) does not currently supply any products that would be considered an article with a substance intended to be released during normal and reasonably foreseeable conditions of use. Tecate Group – Components Division therefore, does not have any plans for Registration or preregistration.

**Substances of Very High Concern (SVHC) under REACH:** Tecate Group – Components Division does not currently have any chemicals used in the production of part numbers included in this COC that are on the list of Substances of Very High Concern. Please see the specific lists on the following page.

Further, the parts covered in this COC do not contain any substances listed in REACH Annex XVII when used for the purposes listed in Annex XVII.

SVHC publish date of 2021-07-08

I will be your REACH contact. If you have any questions, please contact me.
