Tecate Group Shipping Policy for Lithium-Ion Capacitors and LIC modules per UN3508, 67th Ed. of the IATA DG Regulations, effective Jan 1, 2026

Tecate Group Asymmetric Lithium-Ion Capacitors (LICs) hand LIC modules are exempt from dangerous goods controls, per the 67th Edition of the IATA Dangerous Goods Regulations, effective January 1, 2026.

Lithium Ion capacitors sold by Tecate Group less than 20Wh capacity including those used in modules comply with UN3508 regulations, including Special Provision A196 and meet all packaging requirements when transported as individual capacitors or modules.

**All Tecate Group LIC capacitors and LIC modules are transported in accordance
with IATA and 49 CFR §172 regulations.**

Dated: January 1, 2026
